

**AQUA IMAGES by Aquaventures**  
**Professional Underwater Photo Session**  
**Tuesday June 28, 2016 from 10:30am-6:30pm**

**Registration takes place as follows:**

For clients who were enrolled in our **Spring 2016** session, registration begins on **Tuesday June 21<sup>st</sup>, 2016 at 9am.**

For previously enrolled clients, registration begins on **Wednesday June 22<sup>nd</sup>, 2016 at 9am.**

Email [aquaventures@telus.net](mailto:aquaventures@telus.net) with your child(ren)'s name(s) and 3 to 5 time preferences, in order of preference.

**Policies & Pricing**

- ***All participants must be completely comfortable going underwater and being released into an unassisted front glide (release swim).*** This underwater photo session is NOT suitable for new swimmers. All participants must have completed at least one session of lessons with us before.
- \$35 sitting fee is NON-REFUNDABLE. **No cancellations will be accepted.**
- Each sitting can include any 1 swimmer. If you would like to have a photo with multiple swimmers, one sitting fee is required for each child to allow for more time to capture the shot. Only one child under 3 years old will be allowed per session.
- First appointment is at 10:30am and last appointment is at 6:15pm (appointments are booked at :00, :15, :30, :45)
- \$35 sitting fee includes 1 low resolution file (which can print up to 5x7) **OR** \$35 can be applied towards your full order. See below for pricing.
- Please be ***on time!***

**How this all works:**

When you arrive:

- Please allow enough time to complete an order form with your contact information, etc.
- Other than the sitting fee already paid, there will be no other charges in advance.

In water:

- For all participants under 3 yrs: If you think that your child will be more comfortable with you in the water, then we recommend that you go in the water. Otherwise, we do have instructors in the pool to handle the children.
- Parent will stand behind the photographer.
- The instructor will do a "ready swim" towards the photographer (with parent standing behind them).

- The child will have to do a short unassisted swim so that we do not get the instructor's hands/body in the shot. We try our best to get out of the picture fast – pictures will be colour corrected/enhanced but no major editing will be done.
- We will take as many photos as we can in the allotted time. If a child gets fussy, we recommend to stop. We do not want to turn swimming into a bad experience.

After photos are taken:

- You will be emailed a PDF file with proofs of your pictures.
- **All photos are purchased as single DIGITAL FILES (1 file per picture).**
- You can order two types of files:
  - **Low Resolution**
    - 150 dpi – can print up to 5”x7”
    - \$35 per file
  - **Full Resolution**
    - Prints photos up to 50”
    - 1 file for \$135
    - 2 files for \$125 each (\$250 total)
    - 3 or more files for \$115 each (\$345+)
- Reply back within 48 hours with your selection(s). Be sure to specify low or high resolution.
- We will specify a date when the files will be ready and emailed to you.
- Once the files are ready, we will email them to you via a *Hightail* account. You **MUST** download onto your computer or an external drive as the link will expire.
- We will charge balance to the credit card you provided on your order form.
